

Is the USA mentioned in the Bible?

God, for only his reasons has choose the USA, a place, a people, a language and a nation, that will spread his truth, the whole gospel, to the whole world, and that will help and protect Israel through the end time all the way to His second coming.

There has been several so called "Peace Plans" presented, having to do with peace between Israel and Palestine. All of them for the most part would give Israel rights to the land which God told Abraham some 3,500 years ago that He would give to his descendants to possess forever. Several "Peace Plans" has been presented and even some have been signed, like the "Oslo Peace Accord" in September of 1993. But none of which contains the things dictated in the Bible. However, this peace plan, "PEACE TO PROSPERITY", presented by Donald Trump's administration is the only one ever to contain all (5) things the Bible says the "CONVENANT" must have.

Is this the "Abrahamic Covenant" the bible talks about? I don't know that for sure however, I can tell you that if this peace treaty is signed and pass in the UN, then yes, it is the one. And we will begin the final 7 years to the second coming of Jesus Christ to the earth.

In addition, another thing that you might want to consider?

The Spanish Inquisition.

Just to give you a very brief overview. In 1478, Spain came under the rule of the Catholic Monarchs Ferdinand II of Aragon and his wife, Isabella I of Castile. The Spanish territory at that time cover a vast part Europe, Canary Islands, the Kingdom of Naples and other territories. The *"Spanish Inquisition"* was intended to maintain the Catholic orthodoxy in their kingdoms. In 1492, the order was giving, convert to the Catholic religion or be killed or be exiled.

Christopher Columbus left Castile Spain in August 1492 with three ships sponsored and funded by the Catholic Monarchs of Spain, Ferdinand II of Aragon and Isabella I of Castile.

Quote:

"In the same month in which their Majesties [Ferdinand and Isabella] issued the edict that all Jews should be driven out of the kingdom and its territories, in the same month they gave me the order to undertake with sufficient men my expedition of discovery to the Indies."

So begins Christopher Columbus's diary.

The expulsion that Columbus refers to was so cataclysmic an event that ever since, the date 1492 has been almost as important in Jewish history as in American history. On July 30 of that year, the entire Jewish community, some 200,000 people, were expelled from Spain.

Christopher Columbus was enlisted to search out a new land for all the Jews living in the Spanish territories that did not convert the Catholicism.

The land that is now called **"The United States of America"**.

What symbol, (which refers to a nation) did John see helping and protecting Israel during the Great Tribulation and all the way until the second coming of Jesus Christ?

The wings of a Great Eagle, the USA.

Isn't it amazing how we can now go back and read world history and see how God has so perfectly orchestrated all things and has always insured the existence of His people?
